Editorial

“SMRITI”, our college magazine, is a platform for our staff and students to showcase their creative abilities, hidden dreams and aspirations for writing and artistic display of their talents. Our magazine aims towards bringing out the latent talent in our students through articles, poems, quizzes and experiences.

Nora Roberts has rightly said, “If you don’t go after what you want, you will never have it. If you don’t step forward, you are always in the same place.” This students’ magazine is just that step to make them move forward towards their dreams. Like every year, SMRITI has a beautiful compilation of articles in English and Telugu, riddles, mind benders and paintings along with college achievements, winners list of various competitions, significant events and college activities. With all the efforts and contributions put in by the staff and students, I truly hope that the pages that follow will make some interesting reading.

Success of this effort to bring out ‘SMRITI’ is the result of dedicated teamwork put in by **ALL EDITORIAL TEAM MEMBERS**. The Editorial Committee feels privileged in presenting this special issue. Enjoy reading SMRITI!!

MESSAGE

It gives me great pleasure to write this message on the occasion of the college day celebrations of College of Home Science. The faculty of Home Science has always been a source of pride to this university in terms of academic accomplishments and innovative interventions in areas of Foods and Nutrition, Family Resource Management, Textile & Apparel Designing and other related departments.

Nurturing creativity and inspiring innovation are two of the key elements of a successful education, and a college magazine is the perfect amalgamation of both. It harnesses the creative energies of the academic community, and distils the essence of their inspired imagination in the most brilliant way possible. I am happy to know that annual college magazine 2018-19 “SMRITI” is ready for publication. I take this opportunity to congratulate the editorial board for bringing out this magazine, which in itself is an achievement considering the effort and time required.

I compliment the efforts of the Associate Dean, Faculty, support staff and students of the college for their role in keeping the flag of Home Science flying high and for adding value to the profile of Professor Jayashankar Telangana State Agricultural University.

I wish the college day celebrations a grand success and also the outgoing students of this year the very best in their chosen path.

Dr. D. VISHNU VARDHAN REDDY
Dean of Student Affairs

MESSAGE

The College has sailed through its journey quite admirably in the last few years. It has maintained high standards not only in academics but in extra-curricular activities also. Extra-curricular activities play vital role in the life of students. These activities increase the level of confidence of students and should be encouraged. The cultural programmes performed by Home Science students are fantastic. The students of the college have also excelled in sports and cultural activities and participated at the National level and secured prizes too. I am sure that with the passage of time, the college would achieve a lot more and reach the pinnacle of glory.

I am also pleased to learn about the forthcoming issue of the college magazine, 'SMRITI'. The title amply gives expression of an integral and holistic vision of life's realities and reminiscences. True to its name, this magazine gives an insight into the range and scope of the imagination and creativity of our students and faculty members. I applaud the editorial team for the hard work and dedication they have invested in realizing this goal, and wish my dear students success in all future endeavors.

Wishing all the members of Home Science faculty unlimited success in the years to come.

Date: 29.04.2019

Dr. V.Vijaya Lakshmi
Dean of Home Science

MESSAGE

“The mind is not a vessel to be filled, but a fire to be kindled.” Said Plutarch. “SMRITI” our College Magazine kindles the imagination of our learners. College of Home Science cradled right in the lap of city on one hand and archeological edifice on the other, swaying from serious thinking to playful inventiveness, all the women students are brimming with a zeal for life empowering themselves with skills and creativity.

With immense pleasure, I am happy to share that the domains of knowledge in Home Science today have expanded with larger perspective to influence qualitative changes in community and hence the nomenclature of Home Science degree programme is changed as Community Science from the year 2016-17 and collage name will shortly be changed to “College of Community Science”. Community science education means much more than merely acquiring qualification, it is an acquisition of knowledge with quality and technological skills, building character and improving employability of our young talent for the future leadership.

I congratulate the staff and students of all faculties who used various mediums of expression to present their ideas in this magazine. As long as our ideas are expressed and thoughts kindled we can be sure of learning, as everything begins with an idea. I appreciate every student who shared the joy of participation in co-curricular and extracurricular activities along with their commitment to the academic curriculum.

I congratulate the team of students and the faculty for their tireless efforts that have come to fruition in the form of this magazine.

With best wishes

Date: 29.04.2019

Dr. D.RATNA KUMARI

**Associate Dean
College of Home Science**

Annual Report for the years 2018-2019

The College of Home Science, Hyderabad is one of the land marks among the educational institutions of Hyderabad established in the year 1964 under the enactment of Andhra Pradesh Agricultural University Act, 1963. Home Science education with its main objective of enhancement of living standards in general and rural families in particular is oriented towards a holistic approach for a better and enriched society. The focus is also on empowerment of women and adolescent girls in rural and urban households through self employment which would help them to become better resource managers and contribute towards rural development. New courses of Vth Dean's syllabus were as introduced for the academic year 2016 – 17 to first year students of B.H.Sc (Hons). Community Science.

From the academic year 2016-17 the First year B.Sc. (Hons.) Community science was started according to the V Dean's committee recommendations. The new name for the UG programme was coined from Home Science to the Community Science. The UG programme consists of three years of core courses and in the fourth year there is student ready programme for each discipline with Experiential Learning/Hands on Training (HOT), Internship and In house training. The emphasis was given to Experiential Learning and RAWE programme. There is Student READY programme that should be made for one complete year devoting VII semester to RAWE and VIII semester to Experiential Learning/Hands on Training (HOT).

CAFT Programme conducted:

CAFT training programme on “Emerging food processing and packaging technologies: A drive for economic opportunities” was inaugurated on the 11th of July 2018 at Post Graduate & Research Centre, Rajendranagar, Hyderabad. Participants have come from 10 different states from various disciplines like Home Science, Agricultural Extension, Agricultural Engineering, Veterinary Sciences and Entomology.

Dean of Faculty of Home Science Dr.A.Mrunalini presided the function. Various dignitaries Dr.Uma Devi, Member – Board of Management, PJTSAU, Dr.K.Veeranjayulu, University Librarian, Dr.V.Vijaya Lakshmi, Associate Dean, College of Home Science and Dr.K.Uma Maheswari, CAFT Director graced the occasion. The programme started with invocation song followed by lighting the lamp and welcome address by Course Director Dr.K.Uma Maheswari. She highlighted the course objectives to the gathering. Dr. Jessie Suneetha, Course Coordinator briefly explained about the 21 days training programme. Dr.V.Vijaya Lakshmi, Associate Dean, College of Home Science presented the developments in food processing, packaging and storage technologies.

Dr. M.Uma Devi, Member – Board of Management, PJTSAU briefly spoke about the PJTSAU’s drive for innovation in doubling the farmers income by value addition, establishment of incubation centers and spreading other technologies to the farming community.

Dr..K.Veeranjayulu, University Librarian spoke about the significant achievements of Faculty of Home Science in setting up of CAFT and other enterprising incubation centres. He emphasized the need to include IT as part of planning and marketing strategies.

In her presidential address, Dr.A.Mrunalini, Former Dean of Home Science explained the budget allocations for food processing sector. She stressed on the cultural and educational transformations needed for exploring the economic opportunities, business models for the improvement of farmers income. Dr.B.Anila Kumari, Course Coordinator proposed Vote of thanks and ended the programme with National anthem.

SIGNIFICANT ACTIVITIES:

S. No	Name of the Staff/Scientist	Name of the Dept	Event	Date	Venue
1	Dr V.Vijayalakshmi	FDNT	Bimonthly meeting	08.05.2018	PJTSAU Hyderabad
2	Dr V.Vijayalakshmi	FDNT	Subject Expert for the selection of Scientists B & D		NIN, Hyderabad
3	Dr. K. Uma Maheswari	FDNT	Restructuring and revision of PG Curriculum in Community Science	7-6-2018.	ANGRAU, Guntur

3	Ms. S. Lakshmi Pooja	APTX	26 th Annual Workshop of All India Network Project on Pesticide Residues	13.07.2018	PJTSAU, Hyderabad
4	Dr. K. Uma Maheswari	FDNT	ICAR-Indian Institute of Millet Research	17.07.2018	Rajendranagar, Hyderabad
5	Dr.P. Janaki Srinath,	FDNT	NIN	01/08/2018	Hyderabad
6	Dr.P. Janaki Srinath	FDNT	World Breastfeeding Week	3/08/2018	College of Home Science, Hyderabad
7	Mrs. T.Supraja,	FDNT	Women Protection Cell.	07/08/2018	Hyderabad
8	Mrs. T.Supraja,	FDNT	Holland event	08/08/2018	PJTSAU, Hyderabad
9	Dr. V. Vijaya Lakshmi&T.Supraja	FDNT	Workshop to organize Summer/Winter school & short courses.	14/08/2018	AG College, Hyderabad
10	Dr. V. Vijaya Lakshmi	FDNT	Bi-monthly	18/08/2018	PJTSAU, Hyderabad
11	Ms. Supta Sarkar & Dr. P. Janaki Srinath,	FDNT	PG course curriculum revision	20/08/2018	PGRC, Rajendranagar
12	Ms. S. Lakshmi Pooja	APTX	Organizing WOVEN fashion show	25.7.2018 &7.8.2018.	Shilpakala Vedika, Khairatabad Hyderabad
13	Ms. S. Lakshmi Pooja&Ms. D. Radhika	APTX	WOVEN- A fashion show	7.8.2018	Shilpakala Vedika Hyderabad
	Dr. K. Uma Maheswari,	FDNT	External examiner for correction of final written comprehensive examination	20-08-2018	TNAU, Coimbatore.
14	Dr.K. Uma Maheswari	FDNT	External examiner for M Sc thesis evaluation	31-08-2018	, O.U., Hyderabad
15	Dr. K. Uma Maheswari	FDNT	Selection committee member for conduct of walk in interviews	17-9-2018.	IIMR, Hyderabad
16	All the staff and students	CHSC	Guest lecture	29.10.2018	PJTSAU, Hyderabad
17	PG students	HDFS	Workshop	14.9.18	Safari nagar, Kondapur.
18	Dr. K. Uma Maheswari	FDNT	Nominated as External Member	12-11-2018 and 13-11-2018.	TNAU, Madurai

19	Dr. K. Uma Maheswari	FDNT	nominated as member of Telangana State Council of Higher Education	29/10/2018	VNMKU, Purbani, Maharastra
20	Dr. K. Uma Maheswari	FDNT	nominated as expert member of Board of Studies, College of Community Sciences	20/07/2018	TNAU, Madurai
21	Dept APTX	APTX	Organized Workshop on Computerized Embroidery Machines	9.11.2018	College of Home Science, Hyderabad
22	Dr. V. Vijayalakshmi	FDNT	Faculty Board meeting	25/10/2018	PJTSAU, Hyderabad
23	Dr. V. Vijayalakshmi	FDNT	Evaluator for CAS application	28/10/18 to 30/10/2018	Parbhani, Maharashtra
24	Dr. K. Uma Devi	FDNT	Attended as judge for the poster session	16/11/2018	NIN, Hyderabad
25	Dr.P. JanakiSrinath	FDNT	SwasthBharathyatra Campaign	11/11/2018	Katriya hotel, Hyderabad
26	Dr .P.JanakiSrinath	FDNT	Participated as Judge in the scientific session of Oral presentation	17/11/2018	NIN, Hyderabad
27	Dr. K. Uma Maheswari	FDNT	appointed as member of Faculty Board of Home Science	14/12/2018	ANGRAU, Guntur
28	Dr. K. Uma Maheswari	FDNT	appointed as External examiner		AAU, Jorhut
29	Ms. S. Lakshmi Pooja	APTX	Attended to second convocation of PJTSAU	08-12-2018 & 09-12-2018	PJTSAU, Hyderabad

- Ms. S. Lakshmi Pooja, Asst. Prof., Dept. of APTX, CHSc, has designed four prototypes of Scarf's made of Handlooms fabrics with university logo screen printed on them to be used as gifts of remembrance for International visitors during the Honourable Vice Chancellor Dr. V. Praveen Rao garu visit to the United States of America, on 15.6.2018.
- Dr. T.V. Hymavathi, Professor, Department of Foods and Nutrition was awarded Telangana State Best Teacher during Teachers day celebrations.
- Ms. S. Lakshmi Pooja, Asst. Prof, dept. of APTX, CHSc, PJTSAU, designed and supplied 40 handloom and screen printed cotton Kanduvass (scarves) with the help of ELP Apparel Production students which were given as a mark of Honour to the award winners during 4th Foundation day celebrations of PJTSAU on 3.9.2018.
- Ms. Supta Sarkar, Assistant Professor, Dept. of Foods & Nutrition submitted College of Home Science information (with respect to UG course curriculum) for Publishing in the University website on 10/09/2018.

- Dr. K Uma Devi, Professor, Dept. of Foods & Nutrition has compiled and submitted College of Home Science information (with respect to PG course curriculum) for Publishing in the University website on 15/09/2018.
- Antiragging Avagahana Sadassu was organised on 20.11.2018 by the Cyberabad Police department for creating awareness in the students of the PJTSAU. All the students of Home Science, Community Science, Agriculture and the Agricultural engineering attended the function. The Police department's Jagruthi Kala Brindam and the SHE team coordinatedly organised the programme. Mr. Suresh, Circle Inspector of Police, Rajendranagar, Dean of Home Science, Dean of Student Affairs, OSAs of College of Agriculture, College of Home Science, College of Food Technology participated in the programme.
- TV Hymavathi, Professor, Department of Foods and Nutrition, PGRC, reviewed research paper (ID no SEIN-D-18-00742) of Journal of Food Measurement and Characterization (Springer publications).
- TV Hymavathi, Professor, Department of Foods and Nutrition, PGRC, as external examiner did paper setting for UFNS501-Funtional foods and Nutraceuticals of Satya Sai Institute of Higher Learning, B.Sc (FND) FSN 302 Principles and Processing of Bakery Products of TNAU. She signed an MOU with M/S 360 super foods for technology transfer.
- Ms. SuptaSarkar, Assistant Professor, Dept. of Foods & Nutrition has complied and submitted the NIRF 2018-19 ranking report to the University on 03/11/2018.
- Mrs. S.L.Kameswari, AssistantProfessor, Dr.P.Sreedevi, Assistant Professor and Ms. SuptaSarkar, Assistant Professorhas complied and submitted the 4 yrs College of Home Science report for State Govt. to the University on 09/11/2018.
- Lecture by Dr. RamanaSundaram, Programme Leader, University of Lincoln (UK) was organized at PGRC on 6th December 2018. Dr. K. SadasivaRao, Dean, Faculty of Home Science, Dr. K. Uma Maheswari, Professor and University Head, T. V. Hymavathi, Professor, Dr. S. Sucharitha , Associate Professor, Dr. B. AnilaKumari, Assistant Professor, Dr. Jessie Suneetha W, Assistant Professor and all PG, PhD UG students attended the presentation on Technological Advances in the food quality assurance-Developing toll-Kits for food safety.
- Dr. K. Uma Maheswari, Professor and University Head, Department of Foods and Nutrition, have been appointed as member of Faculty Board of Home Science held on 14/12/2018 at Advanced Post Graduate Centre, Lam, ANGRAU, Guntur, AP.
- Dr. K. Uma Maheswari, Professor and University Head, Department of Foods and Nutrition, have been appointed as the external examiner for the Ph. D. viva-voce examination of Daisy KamengBaruah, Dept of Food Science and Nutrition, AAU, Jorhat.
- Dr. P. Janaki Srinath, Assistant Professor, Dept. of Foods & Nutrition has contributed as Reviewer for “Position paper of Indian Dietetic Association on dietary fibre” (currently uploaded on www.idaindia.com) on 20/12/2018.
- Dr. P. Janaki Srinath, Assistant Professor, Dept. of Foods & Nutrition was invited as Member of Selection Committee for Scientist “B” Nutrition, Scientist “B” Medical for the Project “Suitable regional foods for community based management of children with

acute malnutrition in Indian context –Phase I funded by UNICEF and Executed by NIN conducted by Personnel Division, National Institute of Nutrition, Indian Council of Medical Research on 24/12/2018.

- Dr. V. Vijaya Lakshmi, Associate Dean and Professor, HOD, Dept. of Foods & Nutrition and Dr. K. Uma Devi, Professor, Dept. of Foods & Nutrition has attended the comprehensive viva of PG & PhD students as member of advisory committee on 10/01/2019 at PG&RC, Rajendranagar.
- A free eye camp for the young aged up to 18 years old was organized at College of Home Science, Hyderabad by the Niloufer hospital with regards to the dental, eye and general issues on 18.01.2019. All the first year students and the Nursery school students were thoroughly checked and were given with necessary medicines and prescriptions.
- Dr. P.Janaki Srinath, Assistant Professor, Dept. of Foods & Nutrition has given inputs for an article on Diet during Exams in Eenadu newspaper on 27/01/2019.
- Dr. K. Uma Devi, Professor, Dept. of Foods & Nutrition has attended 4th Agrivision-2019 National convention on “Integrated Agriculture Prosperous Bharat” on 28/01/2019 – 29/01/2019 at AP Shinde Symposium Hall, National Agriculture Sciences Complex, ICAR, Pusa, New Delhi.
- Ms. Supta Sarkar, Assistant Professor, Dept. of Foods & Nutrition, has attended “AGRIUNIFEST 2018-19” as team manager to accompany the PJTSAU contingent (24 contingent) which was held at Sardar Krushinagar Agricultural University (SDAU), Gujarat from 03/02/2019 to 07/02/2019.
- Dr. K. Uma Devi, Professor, Dept. of Foods & Nutrition has attended a pre-workshop meeting on improving dietary diversity in selected district across India under “Poshan Abhiyan” on 15/02/2019 at NIN, Hyderabad organized by UNICEF, New Delhi & Hyderabad.
- Dr.T.V. Hymavathi visited groundnut processing unit at Wanaparthy as a part of the RAH ACT project activities on 23rd February. Interacted with the district collector for establishing groundnut processing unit at Ghanpur under the project.
- Dr. B. Anila Kumari and Dr. Jessie Suneetha W, Assistant professor, PGRC demonstrated value added vegetable based spice mixes to the women from adopted villages.
- Dr. K. Uma Devi, Professor, Dept. of Foods & Nutrition as Election Officer for IDA Telangana chapter consolidated the election votes through Google monkey & declared the results on 25/02/2019.
- Dr. K. Uma Devi, Professor, Dept. of Foods & Nutrition visited NIN as external examiner for M.Sc Applied Nutrition for the course of Public Health Nutrition on 15/03/2019.
- Visit to Millet incubation centre and Natural Dyes incubation centre: The third year B.Sc. Community Science students visited Millet incubation centre and Natural Dyes incubation centre on 18.04.2019 from 1.30 to 3.30 pm as part of their practicals of EECM 321: Project Management
- Guest lecture on IARD course offered by Cornell University, USA and IARD programme to visit Cornell University campus in Ithaca, New York, USA by Cornell Sathguru Foundation for Development (CSFD) was organized at Post Graduate and research center, PJTSAU, on 10th April 2019 to create awareness to students of M.Sc.(FN) and MBA-ABM. Dean PGS, Dr. Meena Kumari, Dean Faculty of Home Science, Dr. V. Vijaya Lakshmi, Associate Dean

College of Agriculture, Rajendra Nagar, Dr. Seema, University Head Dr. K. Uma Maheswari and Staff and Students of PGRC participated in the programme.

RESEARCH PUBLICATIONS:

There are 66 research articles contributed by the college students and faculty and the PG, Ph.D research from the college.

EXTERNALLY FUNDED PROJECTS IN THE DEPARTMENTS

Financial Year	2017-18
Total no. of sponsored Projects	2 1.Nutraceutical properties of underutilized fruits and vegetables in North Eastern Hill Region of India 2. 'Bio degradable eco paint production for idol painting with dyes on large scale' and 'Eco Holi colour production for Environmental & Human Safety'
Total no. of Funding Agencies	2 1.DBT 2.Telangana State Pollution Control Board (TSPCB)
Total amount of Received (Amount in Rupees)	(Rs.5,73,000 + 31,27,000) Rs. 37,00,000
Amount Received in Words	Rupees thirty seven lakhs only

MILLET PROCESSING AND INCUBATION CENTRE ACTIVITIES FOR 2018-2019

Studies on sorghum-based designer rawa supplementation for 3 months was found to be effective in controlling the Fasting glucose levels, Total Cholesterol and BMI in diabetic individuals. Ragi noodles with enhanced nutritional quality and complementary foods with minor millets were developed. Glycemic index of the university branded millet products was studied. As part of the capacity building 42 students belonging to Agricultural Engineering, Food Science and Nutrition have undergone Experiential learning programme (ELP) & participatory technology training (PTT). A total of 453 students from various agricultural universities like College of Food Technology from Punjab Agricultural University, College of Agriculture UAS, Bangalore, College of Agriculture, Assam Agricultural University, Telangana Social Welfare Residential Degree College for Women, Jagtial as part of their educational tour and industrial exposures visited MPIC. A total 180 farmers from different states and districts and 220 trainees from various training programme conducted by MANAGE, CAFT, WALAMTARI, Telangana and Participatory Rural Development Initiatives Society, SAMETI, ATMA etc., visited millet processing and incubation centre. 120 officials and academicians like Chief Executive Officer of SERP, Government of Telangana, minister for Rural Development and Panchayati Raj of Telangana State, IAS probationary officers Officials from Dr. Panjabrao Deshmukh Krishi

Vidyapeeth, Krishnanagar, Akola, Fryo Foods Private Limited Director, Deputy Director General, ICAR, Division of Agricultural Education and Gramodaya Chamber of Commerce and Technology Managing Director. Published and telecasted millet processing and incubation centre activities in print and electronic media. Produced 33.4tonnesmillet products from May 2018 to February 2019 and earned 56, 39,071.00

AAU CoA Students

PAU Food technology students

Farmers from Kalligudi block, Tamilnadu

Sri. Jupally Krishna Rao, Hon'ble Minister for Rural Development and Panchayath Raj

MOA Nepal Officials

EXTENSION ACTIVITIES:

The knowledge and technology transfer is focused on the college adopted villages where the staff are involved in the imparting the training. Through regular practical of several courses of the syllabus all students and staff extend lot of extension services by organizing programmes in the rural and urban areas.

Mass communication (press releases / popular articles /TV / Radio coverage's):

Totally 15 television programmes and 86 radio talks were delivered by the staff on various mass media channels such as All India Radio, Doordarshan, E TV and Vanitha.

PJTSAU vaari Chenukaburlu:

Third Review meeting on PJTSAU vaari Chenukaburlu was held on 19.06.2018 at CHSC,Hyderabad ,All the university Officials and All India Radioofficials concerned with the programme participated.

PJTSAU vaari Chenukaburlu (Agriculture & Home Science programmes) :Eighty six episodes have been covered from May 2018 to April 2019.

S.No	Date	Topic	Students
1	30-05-2018	Pappu dhanyala loraraju kandi	Agriculture college, Rajendranagar

Brief report on RHWEP 2018-19

- RHWEP 2018-19 for fourth year students of B.Sc.(Hons.) Home Science (77 no.) and B.Sc. (Hons.) Food Science and Nutrition (33no.) was scheduled from 2nd January, 2019 and students were placed in the villages, Chippalapalli, Dhannaram, Pulimamidi, Jaithvaram, Muralinagar of Kandukur Manadal and NagiReddyguda of Moinabad Mandal of Ranga Reddy District.
- The first week of the programme students have completed activities on PRA, village data collection and selection of individual host families.
- A total number of 110 students, 77 B.Sc. (Hons) Home Science and 33 B.Sc. (Hons) Food Science & Nutrition were placed in 6 selected villages of Kandukur Mandal & Moinabad Mandal, Ranga Reddy district from 2nd January, 2019 to 19th February, 2019.
- The students adopted 1827 families as host families and disseminated health, nutrition, maternal and child care, adolescent education, income generating activities for self help group, indigenous technologies, drudgery reduction and resource generating technologies. While the students specializing in FN and B.Sc.(Hons) FSN students carried out programmes on supplementary nutrition and growth monitoring activities, food pyramid, diet planes for pregnant women, calcium deficiency, iron deficiency, vitamin A deficiency.
- The students produced new learning materials and helped in conducted preschool activities. Different method demonstrations in each village were conducted on topics like antimicrobial treatment, hay basket technology, janata fridge, nutritious recipes, utilization of stimulation materials etc.
- They carried out campaigns on prominent days such as Republic day, Voters day and Army day. They have maintained the information corner and information news in the village continuously throughout the RHWEP to create awareness among the villagers on news and other current events from the outside world. Educational videos were played on environmental sanitation, nutrition, hand wash, adolescent reproductive health and the danger of using plastic carry bags, press release everyday to the local newspapers informing the public about the events of RHWEP. They also collected information on state government programme, child marriage, school dropout etc.

- **Valedictory Programme and Exhibition** was organized on 3rd February, 2019 for B.Sc. (Hons) Food Science & Nutrition at Muralinagar, Dr.V.Vijaya Lakshmi, Associate Dean, College of Home Science graced the occasion as Chief Guest. All Heads of the Departments, Dr. K. Uma Maheswari, Professor and University Head, PGRC, Dr. R. Geetha Reddy, Professor & Head, Dept. of EECM, Dr. P.Radha Rani, Professor & Head, Dept. of RMCS, RHWEF coordinators Dr. R. Neela Rani and Dr. B. Anila Kumari, SMS FSN, PGRC, Ms. Kavitha Kiran, Dept. of HDFS, Ms. Jyothsna, Dept. of FDNT and Ms. Shirin Himabindu, Dept. of RMCS also were present during the occasion.
- Exhibition and Valedictory function was organized on 12th February, 2019 for B.Sc. (Hons) Home Science at Pulimamidi village, Kandukur Mandal, Ranga Reddy district. The Dean of Student affairs, Dr. V. Vishnu Vardhan Reddy graced the occasion as Chief Guest and addressed the gathering. Dr.V.Vijaya Lakshmi, Associate Dean, College of Home Science, Heads of the Departments, Dr M Sarada Devi Professor, Head Dept. of HDFS, Dr. D Ratna Kumari, Professor, Head i/c Dept. of RMCS, Dr. A. Padma, Principal Scientist, AICRP Head of the Dept. of APTX, Dr. R. Geetha Reddy, Professor & Head, Dept. of EECM, RHWEF coordinators Dr. R. Neela Rani, Subject Matter Specialists Ms. Kavitha Kiran, Dept. of HDFS, Ms. Jyothsna, Dept. of FDNT and Ms. Shirin Himabindu, Dept. of RMCS and Sarpanchs of villages and villagers from all the RHWEF villages were present and participated in the programme.

Monitoring visits by Dean of Home science & Associate Dean – During 2018-19

PRA

Demonstration on Drudgery reducing technologies

Demonstration on "Wealth from waste"

Nutritious Recipe Demonstration

Kitchen Gardening

Campaign on "Social evils"

Information centre at the village

Drama on Social evils

**Dr. Vishnuvardhan Reddy

RHWEP students**

**Valedictory function and
Inauguration of NSS Camp**

COLLEGE FUNCTIONS:

The College has also been celebrating important occasions with much pomp and gaiety like National Festivals, Telangana formation Day, PJTSAU formation Day, Birthdays of legends like Mahatma Gandhi, Jawaharlal Nehru, S. Radha Krishnan, Sardar Vallabh Bhai Patel, Prof Jayashankar, Babu Jagjivan Ram, Jyothi Rao Phule and Dr. B.R. Ambedkar.

Celebrations of Telangana Formation Day

- Telangana Formation Day was celebrated at College of Home Science, Saifabad, Hyderabad on 02.06.2018 with a lot of excitement and enthusiasm. Dr.V. Vijaya Lakshmi, Associate Dean unfurled the national flag in the presence of the staff and students of the College. She highlighted the achievements of the newly formed Telangana state and exhorted one and all to work with dedication for the betterment of the state.

Alumni Meet

- College of Home Science, Saifabad, Hyderabad held its Alumni meet on 02-06-2018 in its campus in the evening. The response was overwhelming and about 200 Alumni who passed out from the portals of this institution from the years 1964 to 2000 attended the meet. A lot of intimacy, emotional attachment and zeal was seen among the Alumni who met their friends after many decades. They recalled their golden memories of Home Science College. All the retired teachers also took their time off to attend this memorable get together. The College was illuminated with multi coloured lights and an excellent cultural programmes was also arranged on the occasion. The function was graced by on the Hon'ble Vice Chancellor Dr.V.Praveen Rao, Dean of Home Science i/c Dr. K.Sada Siva Rao and Dean of Student Affairs Dr.D.Vishnu Vardhan Reddy. A sumptuous dinner was also arranged for the guests who felt very happy after attending this glorious function.

Professor Jayasankar Vardhanthi Programme:

- The College of Home Science, Saifabad Hyderabad organised Professor Jayasankar Vardhanthi programme as per the instructions of the Registrar, PJTSAU on 21st June, 2018. The Associate Dean and the teaching, nonteaching and outsourcing staff of the college

participated and offered floral tributes to the veteran leader and Professor. All the staff remembered his valuable contributions to the state of Telangana.

International Yoga Day Celebrations:

- All the staff and the students of College of Home Science, Hyderabad celebrated "International Yoga Day Celebrations" on 21st June, 2018. All of them followed the Common Yoga Protocol from the links mentioned from the Ministry of AYUSH, Government of India website. They staff and students practiced yogasanas during the Protocol.

Celebrations of Professor Kothapalli Jayashankar Birthday

- Professor Kothapalli Jayashankar Birthday was celebrated on **6th August, 2018** at College of Home Science, Saifabad, Hyderabad in a befitting manner. The programme went on with garlanding and paying floral tributes to the eminent academician and leader by the Associate Dean, Teaching and Non teaching staff students, of the college.

Independence Day celebrations, 2018

- Independence Day was celebrated **on 15th August, 2018** at College of Home Science, Saifabad, Hyderabad with great pomp and splendor. The National flag was hoisted by the Associate Dean, College of Home Science, Hyderabad and staff and students were addressed. Dr. Nasreen Banu , Scientist, AICRP, who is going to retire, gave a message to the students. All the Teaching and Non teaching staff, Undergraduate students, Post graduate students and Lab school children of the college participated with enthusiasm and patriotism. The students displayed their spirit of freedom through songs, speeches and dances. The details are as follows:
- All the teaching, non teaching staff and students of the college of Home Science, Saifabad attended the University forth foundation Day celebrations on 3rd September, 2018 at the University Auditorium, PJTSAU, Rajendranagar. The previous Deans also attended the function.

Fresher's Day Celebrations:

- Fresher's Day celebrations was held at College of Home Science, Hyderabad on 21st August, 2018 hosted by the 2017 batch students for the 2018 batch Community Science students to get acquainted with the environment of the college. They also conducted various cultural programmes with entertainment to the juniors to welcome them into the college. A glittering cultural programme titled "Fresher's Day - 2K18 - Bein Venue" was a memorable occasion. The first year students participated in different levels of activities to finally select the Miss Fresher, 2018.

Teacher's Day celebrations

- Teacher's day was celebrated by the students of College of Home Science, Saifabad as a symbol of gratitude to their teachers. The students spoke about the teachers. Dr. T. V.Hymavathi who was selected as the 'State Best Teacher Award' by the State Government was felicitated by the Associate Dean. She shared her experiences throughout her career with the staff and students. The students also organized a gala show with cultural programmes, games to encourage the teachers ending with the cake cutting.

•

Felicitation of Dr.T.Hymavathi, Professor, Dept. of FDNT awarded with state best Teacher. Games organized for the teachers

Agriculture Education day at College of Home Science, saifabad and PGRC at Rajendranagar

- "Agricultural Education Day" as a remembrance of birth anniversary of Bharat Ratna, Dr. Rajendra Prasad, the first President of India was celebrated on 3.12 2018. The students and staff from Government schools of Khairathabad were invited to visit the college to know about Home Science technologies. A video on Bharat Ratna Dr. Rajendra Prasad prepared by the PG student of EECM Ms.A.Prashanthi was displayed to the students. They visited all the departments and were briefed about all the new technologies in their respective departments.

The visitors expressed immense interest in learning about so many technologies connected relevant to their life.

STUDENT'S COLUMN

YOUR BEST

If you always try your best
Then you will never have to wonder
About what you could have done
If you'd summoned all your thunder.

And if your best
Was not as good
As you hoped it would be,
You still could say,
"I gave today
All that I had in me".

A Bed of Clouds

I sleep in the clouds, dream in the sky,
I'll keep dreaming as life passes me by,
I think my dreams keep me sane,
I dream of happiness, a life without pain,
Some people say I'm stuck in this place,
And I'll never go anywhere,
But in my dreams I've already been there,
I know some day I will have to wake up,
But I feel the real world is more like a nightmare,
I'm safe in my closed eye wonderland,
This poem goes to all the dreamers who understand,
No matter what they say....
Keep your dreams but don't dream your life away.

Dad

They say there is a reason, They say that time will heal,
 But neither time not reason, will change the way I feel,
 For no-one knows the heartache that lies behind my smile,
 No-one knows how many times I've broken down & cried
 I want to tell you something, so there won't be any doubt,
 You're so wonderful to think of,
 But so hard to be without..

Love you Dad

College Life

Stepping into a new life where
 One faces oneself

Some consider everything a race
 and chase after them all,
 While others find it difficult
 to even tie their shoe lace.

Many here care for you,
 but you care for a select few

Lots of leisure, lots of pressure
 In the midst of which, some search for treasure.

The greatest invention being the headset
 without which no one's heads are fit
 More sleep, less work, but still
 feeling tired every other minute.

Sudden decisions rare output
 even don't care for taking next
 More dance, more wishes,
 Many an exam and test.

Suddenly, when you look back
 The poster says 'The End',
 The 35040 hours of these four years
 Are just like the three hours of a movie

Passing by in the snap of your fingers
 Leaving behind many a memory that lingers.

Love or Soul

God asked me one day
Love or soul, choose you may
I said, Let me opt my way
Whatever the decision I lay,

Should become a ray
Of hope and destiny, I pray
My mind had a word to say-
Love is a tenant
Stays in others heart.
Soul is inherent
Stays with me permanently.
I had made up y mind
Told almighty about my stand.
Give me my soul
Everything else is mortal
Then god sent me an angel
Angel took me gracefully
Smiled at me soulfully
Supported me heart fully
Present for me immortally
Everyone of us have
Such an angel that god gave
That angel is none other
Than your Mother

BE IN LOVE WITH SOULS, NOT WITH FACES.

Fall in love with souls, not with faces and put the judgments away. Face and body can never give anyone the true happiness one seeks for, it can only be derived from a true soul. If face and body could provide true happiness then beautiful people would have been the happiest people in love.

Smile

Anger - robs it
 Photographers - cage it
 Doctors - advice it
 Death - frees it
 Writers - describe it
 Painters - create it
 Happy moments - bring it
 Unhappy moments - kill it
 But I still have it
 And my face value improves by it.

Entrepreneurship

It starts with curiosity, it starts with dissatisfaction,
 Or it could just be awareness,
 Things start to boil in you and you discover an idea!
 You start dreams, creating your own world .
 Thinking about next Bill and Steve... and what not !
 Time passes, nothing happens, and you are back to square one.
 But there will be one idea that will keep you bothered.
 And you make that one your life, you are still mad for rest of the world, but who knows you have
 a vision behind that passion.
 Time passes, nothing happens, and this will continue until you believe, there is nothing to lose.
 You start sharing, you start inviting, and build a great team to implement your plan.
 Now that you are not alone, there is something to happen.
 Things might work, things might not work.
 Whatever happens....
 You end up in the process of tweaking things.
 Constantly striving, to make things better.
 You started with curiosity, you started with dissatisfaction.
 You end up on entrepreneurial path, only if you believe there is nothing to lose....
 There is nothing to lose.

STORY

In a small Italian town, 1100 years ago a small business owner owed a large sum of money to a money lender. The money lender was a very old, unattractive looking guy

That just so happened to fancy the business owner daughter. He decided to agree the businesses that man a deal that would be completely fine wipe out the Debt that owned him.

However, the catch was that we would only wipe out debt if he could marry the businesses that man Daughter.

Needless to say this proposal was met with a look of disgust. The money lender said that he would place 2 pebbles into a bag, one white and one black.

The daughter of the would then have to reach into to the bag and pick out pebble.

If it was black the debt could be wiped out the daughter of the won't have to marry

The money lender.

Standing on a pebble strewn is path in the business man's of garden the loan lender

Bent over and picked up two pebbles, while he was picking them up the daughter noticed

That he picked 2 black pebble and and placed them both into the bag and he then asked the

Daughter to to reach out to into the bag and pick one. The naturally one of had three children choices

- 1) Refuse to pick a pebble from the bag
- 2) Take both pebbles out and of the bag and expose them to the money lender to for cheating
- 3) Pick a pebble from the bag knowing that it was black for her father and and sacrifice to her freedom

She drew out a pebble from the back and looking as it accidentally dropped it into the midst of the of the other pebble and said to money lender "oh! How clumsy is that of me Never mind!, if you look into the bag

For the one that is left you will be about to tell which pebble you are I picked.

CONCLUSION :-

The pebble left in the bag is obviously a good black and seeing as the money lender is didn't want to be exposed, he had to play along as if the pebble the daughter dropped off the was white and clear to her father's debt.

KEEP CALM AND CARRY ON

- Where there is SHUTING, there is no true KNOWLEDGE...
- Holding onto ANGER is like drinking poison and expecting the person to DIE...
- Too much EGO will kill your TALLENT...
- Keep your EMOTIONS under control, when things go WRONG...
- As much as 80% of adult SUCCESS comes from EQ...
- Your mind is your great FRIEND if you control it. But your mind is your greatest ENEMY if it controls you...
- Anger is a condition in which the TONGUE works faster than the MIND...

ANGER is just one letter away from DANGER...

POSITIVE THINKING

Positive thinking is simply a matter of learning to think more positively and to express your thoughts, in terms that convey your ability to reach life goals and feel successful.

Watch your thoughts, they become words.
Watch your words, they become actions.
Watch your actions, they become habits.
Watch your habits, they become your character.
Watch your character, it becomes your destiny.

RESPECT WOMEN

- ❖ Treat WOMEN the same way you want your DAUGHTER to be treated.
- ❖ BE a Man, Respect Women.
- ❖ A WOMANN brought you into this world,
So you have no right to disrespect one.
- ❖ WOMAN wants a man who protects her like a DAUGHTER,
Love her like a WIFE and respect her like his MOTHER.

CRIME AGAINST WOMEN IN INDIA

Rape	Every 29 minutes
Molestation	Every 15 minutes
Sexual Harassment	Every 53 minutes
Murder	Every 16 minutes
Act of Cruelty	Every 9 minutes
Dowry Death	Every 77 minutes

You can feel her INNOCENCE in the form of a DAUGHTER
 You can feel her CARE in the form of a SISTER
 You can feel her WARMTH in the form of a FRIEND
 You can feel her PASSION in the form of a BELOVED
 You can feel her DEDICATION in the form of a WIFE
 You can see her DIVINITY in the form of a MOTHER

Cherries improve brain health

Anthocyanin which is rich in fruits has been shown to affect the brain in several ways. It is thought that a number of pathways work together to improve cognition and prevent degeneration of the brain.

First the high antioxidant content of these fruits may scavenge free radicals and reduce inflammation in the brain. Additionally, flavonoids in the fruits have the potential to inhibit cell death of nerve cells (neurons) and improve connection between the neurons especially in the area of the brain associated learning and memory (hippocampus).

Flavonoids may also disrupt the aggregation amyloid beta in the brain and there by prevent formation of amyloid plaques which accumulates outside neurons and are implicated in Alzheimer's diseases development.

Consuming a large serve of Anthocyanin rich fruits may boost learning ability, memory and motor skills.

Research suggest that people who regularly consume cherries (2-3 times per day) have better brain function and are less likely to develop dementia than others of their own age.

POEM

TREES

I think that I shall never see
A poem lovely as a tree
A tree whose hungry mouth is pressed
Against the earth's sweet flowing bed

A tree that looks at god all the day
And lifts her leafy arms to pray
A tree that may in summer wear
A nest of robins in her hair

Upon whose bosom snow has lain
Who intimately lives with rain
A poem can be made by fools like me
But only gods can make a tree

ORAL STORY

A woman is driving a car, she is going alone and suddenly the tyre got punctured, and she is beside the forest. There was no one to help her. The time passed by and became dark but she remained helpless. And then a man came and stopped his bicycle near her car and the woman considered herself lucky and explained the whole situation to the man. Then the man understood her problem and agreed to repair the car and he started the repairing and his dresses were soiled. But beyond all this he repaired the car making woman happy. The woman wanted to show her gratitude by offering him money but he rejected and said instead of thanking me and giving me money you help someone who is really in need and went his own way.

Then the woman went to hotel nearby to have something to eat. There she saw a woman who was pregnant and she was working there as waiter and she didn't have enough money for delivery so being kind enough instead of paying 300 which was bill she paid 10,000 to the woman so that she can have safe delivery without thinking.

The woman went home and gave her husband that 10,000 and told that the woman in hotel gave this to her as she is very generous. Then she noticed that her husband's clothes were very dirty and torn and asked why it happened and he explained that a lady was in need in the middle of forest so I repaired her car.

MORAL STORY

Once there was a rich man who went Goa due to some official work. The weather was sunny and he was feeling hungry, then he noticed a sweet shop near by him and purchased 5 laddu's and he sat under a tree by laying his coat and sweet box aside. Then a poor man with torn clothes came and sat beside him and started eating sweets then rich man fired as he thought why is he eating my sweets without my permission and started eating sweets equal to the poor man at last they were having only a one laddu with them.

Then the poor man shared it between them at last when the rich man started packing back his coat he found his sweet box under that. Then he came to realize that the poor man shared his own sweets with him. And felt so bad on his part by thinking badly about the poor man.

MORAL:-Don't judge a book by its cover.

MORAL SHORT STORY

STUDENT LIFE

This is the story about the student life. It gives a moral lesson to all fun-loving students who spend their valuable time in enjoying parties, movies, etc and not serious in studies because every moment of student life is valuable and time must be utilized by the students in regular studies. Now-a-days, students think that student life is very easy and full of fun today especially college life of the students. But the future of students depend upon their achievements in student life because the fun-loving students of today used smart ways to get good marks in examination which is shown in this story.

Ashish and Amit were studying in the college. Both were classmates as well as roommates in the hostel room. Ashish was a studious boy but Amit was a fun-loving boy and was not serious in studies. Ashish used to study regularly to get good marks in exams whereas Amit was not serious in studies and used to study “Guess Paper”, “One-day Series “,etc. to get good marks in exams. Amit scored good marks in exams by using these techniques and always made him understand “Life is for fun and joy. I always pass with smart techniques. You should also enjoy your life like me”. But Ashish never agreed with him.

After the completion of studies, the companies came in the college for campus selection. Ashish was a knowledgeable person and got selected by campus recruitment but Amit was neither a knowledgeable nor a skillful person. So, he couldn't selected by the campus recruitment.

After the completion of college studies, Amit also tried to get placed outside by his own effort but couldn't got placed. After that, he took admission in other courses and got placed in low salary due to lower intellectual level.

Safe driving

There are many ideas and laws that are created to ensure a safe and pleasurable driving experience. Some are avoiding aggressive drivers, alertness while driving, and vehicle following distance, vehicle speed, and special driving situations.

One of many factors in remaining safe on the roads is the ability to control your emotions and your stress. Some drivers do not know how to deal with stress. This emotion can hinder the ability to drive safely and ensure safety on the roads. If you encounter a vehicle that is driving recklessly, and constantly following too closely the best thing to do is to avoid a confrontation is to reduce speed and allow him to overtake your vehicle. Do not provoke the driver just let them pass.

Accidents are avoidable, all it takes is to be aware of your surroundings. Pay attention to what you are doing. Cellphones, radios and newspapers are common distractions while in a motor vehicle. If you must use a mobile device ensure that you have a hands-free accessory for it. If not pull over and make your call. Never try to understand or navigate a map while operating a vehicle. This can cause you to commit a traffic violation, or even injure a pedestrian.

There is a rule of thumb that can help keep a safe following distance while traveling the roads. It is called the "Two Second Rule". Following a vehicle too closely is called "tailgating." Use the two-second rule to determine a safe following distance. Select a fixed object on the road such as a sign, tree or overpass. When the vehicle ahead of you passes the object, count "one thousand one, one thousand two." You shouldn't reach the object before you count to one-thousand-two. If

you do, you are following too closely. Most rear-end collisions are caused by the vehicle in back following too closely.

Drive Safely and STOP:

At all blind spots LISTEN:

For horns and sirens LOOK:

For people around you

TRICK TO GUESS YOUR AGE:

Step 1

choose a number from 1 to 9

step 2

Multiply your number by 2

step 3

Add 5 to your result

step 4

Multiply the result by 50

step 5

If you've already had your birthday this year add 1767, if not add 1766

step 6

Got a four figure number?

Now subtract the year of your birth from the result you should get the a three figure number. The first figure is the number you choose initially, and the other two are your age.
